

Andy Kwiatkowski

Vice President of Patient Accounting

Andrew “Andy” Kwiatkowski was appointed Vice President of Patient Accounting at Hamot Medical Center in 2004. As Vice President, his responsibilities are to develop, interpret, coordinate and administer policies and procedures related to all aspects of Patient Financial Services. This includes scheduling patient registration, charge accumulation and input, medical records, billing, credit and collection, cashiering and third party relationships.

In his role as Vice President of Patient Accounting, Mr. Kwiatkowski oversees Patient Financial services, Regional Health Maintenance Services (RHMS), Central Outpatient Scheduling, Coding, Admission & Registration.

Mr. Kwiatkowski has over 22 years of experience in the Health Care Industry. He holds a Bachelor’s degree in Political Science and Business from Mercyhurst College.
