

Ellen Cohen

Vice President, Marketing & Corporate Communications

Ellen Cohen serves as the Vice President of Marketing and Corporate Communications. In this role, Ellen oversees advertising, public relations, issues management, internal communications, special events, business development and community relations activities. Additionally, she will be responsible for the Patient Services Department and the Hamot Aid Society.

She also provides oversight of the retail operations at the Hamot Gift Shop in the Medical Center and the Gift Shop in the Hamot Women's Hospital.

Ellen joined Hamot in 2003 as the director of Marketing and accepted the additional role of director of Communications later that same year. During this time, she has strengthened Hamot's brand both internally and externally and serves on numerous internal committees and workgroups.

Ellen serves as vice president of Hamot United Charities and also serves on the Community Shelter Services board.
