

Joseph P. Butler

Vice President and Chief Information Officer

Joseph P. Butler is Vice President, Support Services and Chief Information Officer for Hamot Health Foundation. He joined Hamot in 1991 as Manager, Information Systems and was appointed Chief Information Officer in 1998 and Vice President in 2000. In his current role, Mr. Butler is responsible for Information Technology, Health Information Management and Human Resources for Hamot Health Foundation.

Prior to joining Hamot, Mr. Butler was Director of Information Systems for Grandview and Southview Hospital in Dayton, Ohio and a Senior Consultant with Healthcare Information Sciences, Inc. of Indianapolis, Indiana.

Mr. Butler received a Masters degree in Business Administration from the Pennsylvania State University Erie campus and a certificate in Human Resources Studies from the School of Industrial and Labor Relations at Cornell University. He also holds a Bachelor of Science degree from the University of Dayton, Dayton, Ohio. Mr. Butler is a member of the American College of Healthcare Executives and a member of the College of Healthcare Information Management Executives.

Mr. Butler is active in many community organizations including the Northwest PA Chapter Juvenile Diabetes Research Foundation where he served as Board President and currently serves as a Board member. In addition, Mr. Butler serves as the Chair of the Information Technology Committee of the Juvenile Diabetes Research Foundation International Board and is currently a Board member of EmeryCare, Inc.

Mr. Butler and his wife Laura live in Erie, Pennsylvania with their three children, Kaitlin, Andrew and Eric.
