

**Jason Roeback, MHA**

*Senior Vice President and President of Regional Health Services*

Jason Roeback, MHA, is the Senior Vice President and President of Regional Health Services (RHS) for Hamot Health Foundation.

In this role, Jason has corporate responsibility for all the RHS cost centers to include over 150 Hamot-employed physicians in 18 specialties, the Hamot Imaging Centers, TRAC centers and the Center for Healthy Living. He is also overseeing and managing all physician recruitment and contracting services.

Jason brings with him nearly 20 years of experience in the healthcare management, including hospital, outpatient and physician practice management. He has served as the chief executive officer for acute care hospitals in Florida, Arizona and Kentucky and has received numerous awards and recognitions for his professional achievements.

Jason received his bachelors degree in health administration from the University of Kentucky and his master's of health administration from the Pennsylvania State University. He also served as a fiscal and administrative officer in the U.S. Navy while at the U.S. Naval Hospital in Jacksonville, Florida. Jason and his wife Jenny Roeback are Erie natives and have five children.
