

Raymond Moluski
Vice President of General Services

Raymond (Ray) Moluski is Vice President of General Services at Hamot Medical Center. He is responsible for all departments reporting through the General Services Division, including Facilities, Nutrition, BioMed, Physical Planning, Materials Management, Linen, the Storeroom and the Service Center.

Ray is a graduate of the Pennsylvania State University. He is a driven and goal-oriented supply chain operations leader with 18 years of healthcare experience in various capacities. Most recently, he served as director of Materials Management at the University of Pittsburgh Medical Center (UPMC).

His list of achievements includes leading the development and implementation of UPMC's Supply Chain Management Outreach Program, designed to improve service levels and communication to clinical and ancillary customers, align goals across operating divisions and create operational efficiencies for the 19 hospitals served by UPMC.

Ray has extensive materials and supply chain management experience, a demonstrated competence in process improvement and management, and strong employee engagement skills.
